

## PRESS RELEASE

### New CFO at Tridonic

Dornbirn, July 20, 2021. **Alexander Stieger takes over as Tridonic's Chief Financial Officer (CFO).**

On August 1, 2021 Alexander Stieger will assume responsibility for the finances of Tridonic as CFO. He has extensive international experience in the finances of the Zumtobel Group and Tridonic.

Most recently, Alexander Stieger headed Corporate Controlling at Tridonic and for several years was the Finance Director of Tridonic Jennersdorf. He started his career in investment banking as an equity research analyst. In 2010, he joined the Zumtobel Group in the Investor Relations and Strategy department. Three years later he moved to Tridonic as a Controller and took over the management of strategic projects, especially in Mergers & Acquisitions. Alexander Stieger studied International Business Administration and holds a degree from the Leopold-Franzens University of Innsbruck.

Alexander Stieger succeeds Thomas Erath, who will take over as CFO of Zumtobel Group AG on August 1.

#### **About Tridonic**

Tridonic is a world-leading supplier of lighting technology, supporting its customers with intelligent hardware and software and offering the highest level of quality, reliability and energy savings. As a global driver of innovation in the field of lighting-based network technology, Tridonic develops scalable, future-oriented solutions that enable new business models for lighting manufacturers, building managers, systems integrators, planners and many other types of customer.

To promote the vision of the "Internet of Light", Tridonic relies on partnerships with other specialists. The goal is the joint development of innovative technological solutions that convert lighting systems into

intelligent networks and thereby enable associated services. Tridonic's in-depth industry expertise makes it an ideal driver for partnerships with other visionaries.

Tridonic is the technology company of the Zumtobel Group and is headquartered in Dornbirn, Austria. In the 2020/21 fiscal year, Tridonic achieved sales of 302.8 million euros. 1,808 highly skilled employees and a worldwide sales presence in over 70 countries provide the basis for developing and launching new, smart and connected lighting systems.
